

# SEARCHLIGHTS 2006

Attract attention from the maximum distance

This beacon light will attract people from miles away wanting to know what special event you are having.

Use it every night to remind your customers you are open late.

Use several at once to get that Hollywood opening night effect.

**1.8KW**

Xenon System  
9000 LUX at 100 meters  
18 amps 110 volt

Adjustable  
Angle

**\$7280.00**  
+ shipping

Plug directly into standard  
120 volt outlet  
220 volt version available

Stainless Steel Housing

Just run a heavy duty extension cord  
and plug it in.

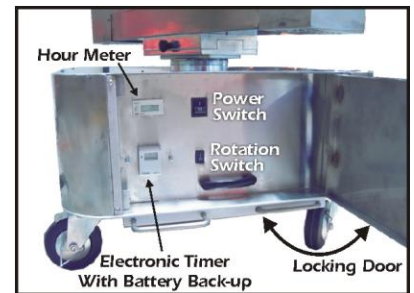

Full 360°  
Continuous Rotation

Rolling Wheels with Locks

Grab attention from 4 - 6 miles

Two Piece Construction

The built-in electronic timer with back-up battery will automatically turn the light on and off at preset times and you can set it to turn on & off at different times for each day of the week. When you unplug the light to store it away the programmed times will be held in memory for up to 15 days. This means you can rent this light to a car dealer or other business and set it, so it will only work on Friday and Saturday nights from 8 pm to 11 pm and then lock the door and they can only use the light during these hours.
